Intro

We are collabarts,
a Melbourne based
creative agency on
the grow.

We don't just design. We tell a story.

Your brand has something to say, to contribute and to add value. We aim to communicate that through lines, shapes and colours. Every single element in your design tells your lifestyle and in turn attracts the right people to your business. We cater all your graphic design needs from logos, brand collaterals, social media ads and posts, book cover design, packaging design, you name it.

Contact Us

About Us

Our ultimate goal is to make you proud of your brand and look at it as something worth competing with the big guys out there. We want to give life to your brand by telling your stories visually.

We are a collaborative team of freelancing artists that come together with different expertise so you can have all you need in one place.

We do illustrations, logo design, advertising desing, packaging design, book cover design, business collaterals, you name it.

Who We Are

All your design needs in one.

What We Do

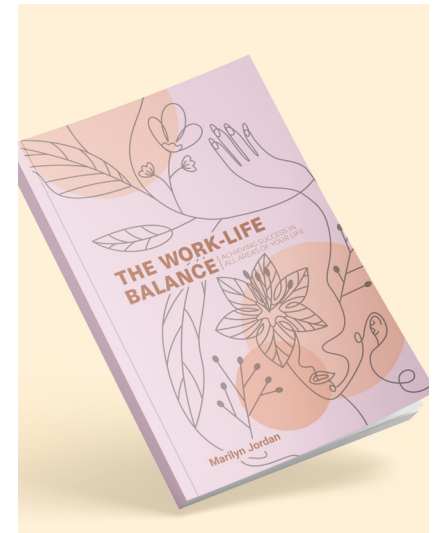

Business Collaterals and Advertising

Perfect for retail & e-commerce businesses as well service-based businesses. We design logos, product labels, business cards, social media advertising design.

Digital drawing and illustration

We can draw in any style and any format you like. From traditional art (painting or pen in paper) to digital art, we got you. This is perfect for your website banners, event banners. We make our designs ready for print as well.

Book Cover Design

From paperback, hardcover to hardcover wrap, we can do it for you on any style you like.
