TO WHOM IT MAY CONCERN

Brooke Green enrolled with The Nutrition Institute on 12 May 2021.

Our Diploma of Nutrition Course has been designed and developed to provide students with the professional skills and knowledge to launch a successful freelance career.

This course is comprised of 12 comprehensive modules and 12 corresponding interactive assignments to be completed by students. These assignments combine both theory and practical elements designed to implement the concepts discussed within the modules.

Each student is allocated a tutor to help them through their journey and Brooke Green was allocated Kassandra Kaleda.

The tutors award a grade (out of 10) and a comprehensive evaluation of submitted work and ideas to help nurture and improve a student's skills each step of the way.

Brooke Green successfully completed all of the requirements and became a graduate of our course on 7 February 2023.

If you require any additional information, please don't hesitate to contact us at The Nutrition Institute.

Yours faithfully,
